09 September 2010

Dear Mr Briggs and your wonderful team

On behalf of the Children's Hospital Trust, the Fundraising Arm of the Red Cross War Memorial Children's Hospital, I would like to thank you for the donation of R7100 and the teddies donated by your team. We really enjoyed meeting your team and could sense the kindness and enthusiasm as we walked through the Burns Ward. The patients love being visited as many of them are away from home for long periods and your friendliness and concern during your team's visit created an exciting atmosphere.

The funds raised will go towards the upgrade of the Burns Unit, which has not been upgraded since the Hospital was built in 1956. Approximately 3500 children with burns are treated at the Burns Unit every year, of which 85% of the patients are younger than six and 98% are from disadvantaged communities.

The rest of the teddy bears will be distributed to other wards by the Friends of the Children's Hospital Association.

The Red Cross War Memorial Children's Hospital is the only stand alone, specialist hospital dedicated entirely to children in southern Africa, managing more than 250 000 patient visits each year. These sick children come from all over South Africa, Africa and in rare instances the rest of the world.

100% of funds donated to the Trust go directly to the Hospital and not a single cent is spent on administrative costs.

Thank you once again and we look forward to your continued support.

Kind regards
